VISION

Niddrie Autistic School's vision is a dedicated school for students with Autism Spectrum Disorder (ASD). Our vision for learning is that each student is equipped with the educational and social skills they need to be able to live successfully in their community, and in the short term to move into an integrated neighbourhood school setting.

MISSION

Niddrie Autistic School's mission is both to address the impairments specific to ASD and activate individual strengths to optimise educational opportunities for our students when they move into more mixed settings. - The school meets its educational purpose through collaborative, evidence-based professional practice; integrating professionals such as speech and occupational therapists, psychologists and trained teacher aides into a holistic educational program.
